Diverter Rose  
Gold  
ER-MODDIV-RG

A modern bathroom shower area. The walls are covered in large, light-colored rectangular tiles. A black shower fixture, including a rain showerhead and a handheld shower wand, is mounted on the wall. To the left, a dark vanity with a marble countertop holds a vase with greenery and folded towels. The floor is also tiled in a matching light color. A glass shower door is visible on the right side.

## OPERATION SPECIFICATIONS

A diagram of a rainbow showing the color spectrum. The top of the rainbow is labeled "HOT" and the bottom is labeled "COLD". The colors transition from red at the top to violet at the bottom. The word "MIXED" is written near the bottom of the rainbow. To the right of the rainbow is a black circle with several lines radiating from it, representing the sun.
